Design

Onyx Apartments were inspired by a growing population and the ever-increasing demand to provide housing for families. Designed with the Kenyan spirit at heart, the unique apartments boast a modern finish and represent Resilience, Family, and Accessibility. Blending in contemporary concepts alongside different design options such as SQ and kitchenette or open/closed kitchen options, it's a development curated for modern families.

Onyx Apartments' close proximity to the CBD and Waiyaki Way makes it a convenient location. A mere 12 km from the CBD, it is 9 km from both Westlands and Kikuyu town, and only 8 km from Junction Mall. It's also close to a wide variety of social amenities within the surrounding neighbourhood.
